Dear Reader,

70's erotic photography is the new bi-monthly appearing photomagazine featuring original content from the 70's. From a era, where aids and razors for pubic hair been unknown.

See your parents generation nude and kinky. All photos been originally taken in europe in the 70's and been scanned from old stills - so the picture quality can't be compared to todays photo quality.

Enjoy and please don't forget to subscribe that you don't miss further issues.
